Data Sharing

Summary Care Record (SCR)
Your SCR is an electronic summary of key medical information taken from your GP medical record. If you need healthcare away from your usual doctor's surgery, your enhanced SCR will provide those looking after you with key information to help them give you better and quicker care. Please refer to **'What is a Summary Care Record'** document for more information **or visit:** https://digital.nhs.uk/summary-care-records/patients
Tick this box if you wish the child to have an enhanced SCR with core and additional information (recommended) ☐
Tick this box if wish to opt-out the child of the SCR ☐

Medical Interoperability Gateway (MIG)
The MIG enables secure sharing of relevant medical information from your GP record with other healthcare professionals who are providing you with direct care, even if they are not using the same electronic records system. At point of care you will be asked if you consent to the care service seeing essential elements of your record.

Tick this box if you wish to opt-out the child of the MIG data sharing ☐

Risk Stratification Preferences
Risk stratification is the process of identifying the relative **risk** of patients in a population by analysing their medical history. It's a key enabler for improving the quality of care delivered by the NHS. BROWNSOVER MEDICAL CENTRE is taking part in the Risk Stratification programme and will be uploading patient identifiable data for analysis. Patient identifiable information will only be viewable at GP practice level. Any NHS organisation external to the practice using risk stratification will only see anonymised data. **For more information please visit our website at www.brownsovermedicaclcentre.nhs.uk**

Tick this box if you wish to opt-out the child of the Risk Stratification programme ☐

Enhanced Data Sharing Module (EDSM)
Brownsover Medical Centre use a clinical computer system called EMIS to record your medical information. With your consent, you can allow your full GP record to be shared with other healthcare services that are providing care for you and who also use EMIS. These other services will always ask consent to view your record. **For more information please visit our website at www.brownsovermedicalcentre.nhs.uk**

Tick this box if you wish to opt-out the child of the Enhanced Data Sharing Module ☐
